

## Symptoms described by each evangelist of the man's son

### MARK

Unable to speak

It seizes him

It dashes him to the ground

He foams

He grinds his teeth

He becomes rigid

He rolls on the ground

It casts him into the fire and  
into the water

It convulses him

He becomes like a corpse

### LUKE

It seizes him

It convulses him

He foams

It mauls him

It will scarcely leave him alone

It dashes him to the ground

### MATTHEW

He "is an epileptic"

He suffers terribly

He often falls in the fire and of-  
ten into the water
